

BUDDING STARS

Our theater program for children ages 5-7 is back by popular demand and ready to continue its mission to instruct and delight our little stars.

What do 5-7 year-olds have an abundance of? The answer is clearly -- **creativity and energy!** We have put together a program that will keep your child actively engaged from 9 am - 3 pm, Monday through Friday for two weeks of exposure to the world of performing arts. (No class on July 4).

Our experienced staff will have the little "budding stars" acting, singing, and dancing their little hearts out. Wait, it gets better! How about using your imagination and artistic ability to create simple props and costumes for the skits you will perform, acting out fairy tales or children's stories? Games, videos, lip synch, role playing and so much more will fill your mornings and afternoons with theatrical activities. Just bring your originality, enthusiasm, motivation and a bag lunch and you'll be ready to escape to a world where all things are possible if you can just imagine them to be so!

Please join us for this exhilarating adventure culminating in a final performance that will have you brimming with pride and up on your feet!
